

*mü-nest presents*  
the incredibly  
sublime remix  
project compilation,  
**in this nest,  
we found  
our winged tales.**

*in this nest, we found our winged tales* is an exquisite remix project compilation album presented by mü-nest and featuring a revered international line-up of folktronica, electro-acoustic and IDM musicians from around the world, including Japan's **Haruka Nakamura**, **Akira Kosemura**, **aus**, **FJORDNE**, UK's **Dom Mino**, **me:mo** of China, **hearts+horses** (previously known as park avenue music) from US, **Federico Durand** from Argentina, Singapore's **aspidistrafly** as well as Malaysia's **flica**.

10 electro-musical accolades, paired into 5 groups, with each pair performing a cross remix of each other's works between them, the album title refers more than just the playful mechanics of this splendid experiment, it also encapsulates the wondrous magic captured in this album – the infusion of original beauty with renewed sensibility.

With its enthralling electro-acoustic melodies, elegant ambient works, stylish rhythm-centric electronica and cutting-edge noise-pop, *in this nest, we found our winged tales* promises a mesmerizing musical journey that tantalizes right to the deepest recesses of our heart, mind and soul.
